Re: Town of Framingham v. Town of Ashland, D.T.E. 02-46
DH File: 23688.88

Dear Mr. Reyes and Ms. Cottrell:

Per our conversation today, David Thomas went to his neurosurgeon today and was told to obtain an MRI immediately. For this reason, he was not in the office and has not had a chance to review our final version of Ashland's Response to the Department's Second Set of Information Requests. The Response has been fully drafted and all copies of the attached documents have been made. I ask for an extension until the end of the day on Monday, February 3, 2003, for sufficient time for David Thomas to review our submission. We will hand deliver all copies to the Department and to opposing counsel by the end of that day.

I spoke with opposing counsel, and he stated that he would not oppose this request.

Very truly yours,

Maureen P. Hogan
